

ANDREA MONTEROTTI

FCAS, MAAA

Consulting Actuary

andrea.monterotti@milliman.com

Current Responsibility

Andrea Monterotti is a consulting actuary with the Boston office of Milliman. She joined the firm in 2016.

Professional Work Experience

Andrea's experience in property and casualty actuarial work includes loss reserving, ratemaking, data analysis, and feasibility studies.

Andrea supports the ongoing actuarial needs of numerous clients, ranging from multiline property and casualty insurers to captives and risk retention groups. Examples of Andrea's multi-faceted actuarial career include:

Supporting the reserving functions for many captives, self-insurers, and risk retention groups

Assisting in the issuance of statements of actuarial opinion

Providing funding estimates and developing pro-forma financial projections for potential captive insurers

Reviewing rate filings for multiple state insurance departments

Professional Designations

Fellow, Casualty Actuarial Society

Member, American Academy of Actuaries

Education

BS, Mathematics, Stonehill College

MS, Actuarial Science, Boston University
