Milliman receives PLANSPONSOR award for excellence in Defined Contribution Survey

Milliman recognized for defined contribution services in mid-size asset class market

SEATTLE – MARCH 19, 2018 – Milliman, Inc., one of the premier actuarial, consulting, and benefits administration firms, is pleased to announce that it is the recipient of a PLANSPONSOR “Silver” award for excellence in the publication’s 2017 Defined Contribution (DC) Survey. The annual survey catalogued nearly 3,500 responses from defined contribution plan sponsors nationwide, who were asked how satisfied they were with their provider. Milliman is one of three organizations recognized as a “Survey Standout” in the mid-size (\$50MM-\$200MM) asset class market, having received 18 Best in Class Awards in this category.

“At Milliman, we strongly believe in providing high-quality service and responsiveness to our defined contribution clients, and work hard to exceed their expectations,” says Gerald Erickson, a principal and senior consultant at Milliman, “so we’re pleased and gratified to once again receive an award for excellence from PLANSPONSOR.”

Across the three asset class markets (>\$25MM-\$50MM, >\$50MM-\$200MM, and >\$200MM-\$1B) for which Milliman qualified, the firm won a total of 45 “Best in Class” awards—which includes the “Silver” Cup for the mid-size market—and five “Service Commendations.” “Best in class” awards are based on a PLANSPONSOR-designated “net satisfaction score” tabulated from survey responses. Since 2012, Milliman has won 11 Gold, Silver, and Bronze Cups in the DC Survey.
