

Robert P. Aldoriso

FCAS, MAAA

Principal, Consulting Actuary

CURRENT RESPONSIBILITY

Bob is a principal and consulting actuary in the Woodland Park, N.J., office of Milliman. He joined the firm in 1987.

EXPERIENCE

Bob has worked extensively in a number of areas in the property and casualty industry. His main areas of expertise are ratemaking and pricing, particularly for personal lines and medical malpractice. He also has had experience in loss reserving, planning, forecasting, statistical reporting, data quality, and many other areas of company operations.

Bob held several insurance company positions over the first 15 years of his career. He has been a consulting actuary since 1987.

During his career, Bob has concentrated considerable efforts on New Jersey private passenger automobile matters. He has provided actuarial consulting services to the New Jersey FIUA, several servicing carriers of the FIUA, insurers, the State Assembly, and former Governor Florio's automobile insurance task force.

Bob has also done a great deal of work in medical malpractice pricing and reserving, particularly for New York state insurers.
