

Tiffany J. Baron

FCAS, MAAA
Consulting Actuary

CURRENT RESPONSIBILITY

Tiffany is a consulting actuary in the New York office of Milliman. She joined the firm in 2003.

EXPERIENCE

Tiffany provides actuarial services to a wide array of clients including insurance companies, reinsurance companies, captive insurance companies, risk retention groups, self-insureds, managing general agents and program administrators.

Tiffany's experience includes loss reserve analyses, pricing reviews, reinsurance studies and due diligence assignments for mergers and acquisitions. She has particular expertise in commercial property and casualty lines and title insurance.
