

### **Kenneth E. Carlton III**

FCAS, MAAA, FCA  
Consulting Actuary

#### **CURRENT RESPONSIBILITY**

Ken is a principal with the Boston office of Milliman, working out of its Manchester, New Hampshire, location. Ken joined the firm in 1994.

#### **EXPERIENCE**

Ken has extensive experience in the property and casualty insurance industry. His consulting experience includes professional liability, general liability and personal lines ratemaking, loss reserve analysis for all lines of property and casualty insurance, evaluation of insurance companies for acquisition purposes, preparation of feasibility studies, and alternative risk financing analyses. Ken provides loss reserve opinions to insurance companies and captives located throughout the United States, Bermuda, and Barbados.

Ken was formerly the Northeast regional director for the casualty actuarial/risk management consulting practice of a large national accounting firm. Prior to becoming a consulting actuary, he worked for a major insurance carrier. His duties included loss reserve analysis, personal and commercial lines pricing, and production of underwriting and managerial reports for senior management.
