

Richard C. Frese

FCAS, MAAA
Consulting Actuary

CURRENT RESPONSIBILITY

Richard is an actuary in the Chicago Casualty practice of Milliman. He joined the firm in 2002.

EXPERIENCE

Richard's expertise in property and casualty primarily involves loss reserving and forecasting for self-insured clients in the area of medical malpractice and workers' compensation liability. He also has extensive experience in commercial lines, including workers' compensation, professional liability, general liability, auto liability, and property insurance. His clients include captives, Fortune 500 corporations, healthcare institutions, privately held companies, public entities, and risk-retention groups.
