

Ken Mungan

FSA, MAAA

Financial Risk Management Practice Leader

CURRENT RESPONSIBILITY

Ken is the leader of Milliman's Financial Risk Management Practice, which he founded in 1998. Milliman's FRM Practice has grown to be the industry leader in the management of retirement savings guarantees. Milliman's people, process, and technology currently manage more than \$500 billion in account value for more than six million customers.

EXPERIENCE

Ken has pioneered hedging techniques that are standard practice in the industry, today. He and his team have created technology that has generated paradigm shifts for the life insurance industry.

His current focus is on expanding retirement savings guarantees to new markets and products, including 401(k) plans, IRAs, and protected funds.

Ken is also a frequent speaker at industry events and the author of many professional articles.
