

Daniel A. Nitz

FSA, MAAA
Actuary

CURRENT RESPONSIBILITY

Dan is an actuary with the Milwaukee office of Milliman. He joined the firm in 2006.

EXPERIENCE

Dan has more than 13 years of experience, primarily working in long-term care (LTC) insurance. He has experience in a wide range of actuarial functions, including product development, experience analysis, and financial reporting.

Prior to joining Milliman, Dan worked in several management roles for Allianz Life Insurance Company of North America. In those roles, he primarily managed the actuarial functions for the long-term care insurance product line, including product development and financial reporting.

Prior to joining Allianz, Dan worked for Fortis Insurance Company in the long-term care insurance product line. His primary role was to manage the valuation and experience analysis actuarial functions.
