

Robert Parke

FIA, ASA, MAAA

Principal, Consulting Actuary

CURRENT RESPONSIBILITY

Rob is a principal and consulting actuary with the New York office of Milliman. He joined the firm in 1995.

EXPERIENCE

Rob provides actuarial and consulting services to a broad range of clients, including Blue Cross/Blue Shield Plans, HMOs, commercial insurers, government agencies, and healthcare providers and vendors. His work includes rate development and review; provider contract review and benchmarking; reserve certification; capitation; pay for performance and other incentive plan development; review and assessment of predictive models and disease management programs; Medicare risk feasibility studies; HMO and PHSP start-ups; HMO due diligence; healthcare provider education; and developing risk sharing and reimbursement arrangements for physician groups, PHOs, and other integrated delivery systems.

Prior to joining Milliman, Rob worked at Tillinghast, a Towers Perrin Company. In addition, he has worked extensively in health insurance in the United Kingdom and South Africa.

PRESENTATIONS AND PUBLICATIONS

Rob is a frequent speaker at industry meetings.
