

Zorast Wadia

FSA, EA, MAAA

Principal, Consulting Actuary

CURRENT RESPONSIBILITY

Zorast is a Principal and consulting actuary with the New York office of Milliman. He joined the firm in 2002. In addition to his client responsibilities, Zorast manages a team of nine actuarial analysts.

EXPERIENCE

Zorast has been working in the retirement benefits field for more than 10 years. He has expertise in actuarial valuations for qualified and nonqualified plans, nondiscrimination testing of pension plans, calculations of individual benefits, and annual compliance for defined benefit pension plans.

Zorast has extensive valuation experience with qualified, nonqualified, and postretirement benefit plans under U.S. GAAP (FAS87/88/132(R)/158) and international (IAS19) accounting standards. He has also worked with clients on benefit improvement, plan redesign, and funding projection studies. Zorast's clients include not-for-profit organizations, financial services firms, and other corporations.
