

Patricia A. Zenner

RN

Healthcare Management Consultant

CURRENT RESPONSIBILITY

Pat is a healthcare management consultant in the Healthcare Management Consulting group practice. She began her association with the firm in 1995. Pat has a rich and varied background in the operational and business aspects of healthcare management.

EXPERIENCE

Pat has more than thirteen years of consulting experience in healthcare management operations and 33 years of industry-related experience providing advice to insurance companies, health plans, hospitals, disease management companies, medical management vendors, governments, and other healthcare entities managing commercial, Medicare, and Medicaid populations.

She has significant experience in the design and implementation of healthcare management programs, including clinical tools, strategy development, program evaluation, and data analytics such as provider profiling software. She also performs outsourcing evaluations for vendor and system implementation.

EDUCATION

- BS, Nursing, West Chester University
