

Milliman Opportunity Scholarship

2021 program open for application

Milliman, a global leader in actuarial and related products and services, awarded 17 Opportunity Scholarships in 2020 and is currently in its fifth year offering the program. The scholarship assists undergraduate students from ethnic groups that are under-represented in the fields of actuarial science, data science, computer science, economics, programming, mathematics, statistics, data analytics, or finance.

SCHOLARSHIP AWARD

\$5,000

APPLICANT ELIGIBILITY CRITERIA

1. Identify as one of these ethnic groups:
 - **United States and Canada:** Black or African American, Latino/Hispanic, American Indian or Alaskan Native, or Native Hawaiian or Other Pacific Islander
