

Chris Beck

Executive Risk Consultant

CURRENT RESPONSIBILITY

Chris Beck is a member of Milliman's Risk Advisory Services (RAS) practice group. The practice delivers a portfolio of risk consulting services, such as enterprise risk design, cyber risk assessment and quantification, test and build projects, operational risk assessments, enterprise risk management (ERM) education and training, and ERM technology evaluation. The RAS practice uses diagnostic consulting strategies to understand an organization's enterprise risk goals and challenges and then customize solutions to deliver required business results.

EXPERIENCE

Chris has 15 years of professional experience. His experience includes work in the banking, insurance, capital markets and card sectors helping clients assess and mitigate risk.

Prior to joining Milliman, Chris was a senior manager in Accenture's Finance and Risk Management Consulting practice, delivering work for global financial service clients. Additionally, Chris served as an active duty Naval Officer and has multiple overseas deployments.

Professional experience and subject matter advisory includes:

- Cyber security metrics and governance
- Financial service regulatory and compliance initiatives
- Risk management
- Corporate and risk governance
- Surveillance
- Financial services operating model and cost reduction
- Regulatory remediation and responses
- Legal department risk and optimization
- Leadership of large cross-functional projects and teams

EDUCATION

- BS Political Science, University of Wisconsin–Madison
- MBA, University of Chicago – Booth School of Business
