

AMBER DAMERGIS

Senior Director - Head of Governance & Risk Management

amber.damergis@milliman.com

+1 612 760 2140

Current Responsibility

Amber is the director of quality assurance at Milliman's Financial Risk Management practice in Chicago.

Amber joined Milliman in 2007 as a member of the Employee Benefits Practice, where she managed the recordkeeping of defined benefit plans for more than 1.2 million participants. Amber has been a member of the Financial Risk Management Practice since 2010.

Professional Work Experience

Amber works to assure the integrity of the Financial Risk Management practice's operations and processes by establishing and enforcing quality standards and policies, along with designing, implementing, and testing internal controls. This includes the management and facilitation of the annual SOC 1 audit as well as the review of Financial Risk Management best practices, policies, and standards.

Education

AAS, Paralegal Studies, Minnesota Paralegal Institute
