

Jason B. Kurtz

FCAS, MAAA
Consulting Actuary

CURRENT RESPONSIBILITY

Jason is a consulting actuary in the New York office of Milliman. He joined the firm in 2005.

EXPERIENCE

Jason's experience includes financial modeling, funding level estimation for self-insurance groups, loss reserving, and ratemaking.

Jason has experience with a variety of lines of business including medical professional liability, workers compensation, and general liability. He has performed cash-flow analyses in support of expert testimony and simulations to determine optimal reinsurance needs. The clients he serves include single and multi-line primary insurance companies, reinsurance companies, and self-insurance groups.

PROFESSIONAL DESIGNATIONS

- Fellow, Casualty Actuarial Society
- Member, American Academy of Actuaries

EDUCATION

- BS, Business Administration, New York University
