

Hugh Larson

Health Care Management Consultant

CURRENT RESPONSIBILITY

Hugh is a consultant in the San Diego office of Milliman. He joined the firm in 2015.

EXPERIENCE

Hugh has been providing healthcare-related management consulting services for over 25 years. During this period of time, he has worked with all of the significant participants in the healthcare marketplace – providers, payors, and insurers/TPAs.

In his work with providers, Hugh has consulted with hospitals and physician groups investigating and developing integrated delivery systems. This included modeling healthcare revenue streams, developing models to share financial risk across providers, and increasing provider acceptance of financial risk.

In his work with payors, Hugh has assisted payors with negotiating contract terms and costs with healthcare organizations. He has helped employers identify, review, and select healthcare vendors as well as forecast healthcare cost and utilization statistics under different healthcare delivery models.

In this work with insurers/TPAs, Hugh has developed risk analysis modeling tools as well as models to assess a TPA's regulatory compliance.

EDUCATION

- BS, Mathematics, University of California, San Diego
