

Paul V. Sakhrani

FSA, CERA, MAAA
Actuary

CURRENT RESPONSIBILITY

Paul is an actuary with the Atlanta office of Milliman. He joined the firm in 2014.

EXPERIENCE

Paul has more than eight years of actuarial experience. He works with employee benefit plans, Blue Cross/Blue Shield plans, health insurance carriers, HMOs, and provider organizations. Paul is involved with carrier data systems, provider reimbursement, reimbursement benchmarks, and network comparisons.

Prior to joining Milliman, he worked for Towers Watson as the lead actuary and project manager for large employers in the Health and Group Benefits practice.

Some of Paul's specific client work includes:

- Strategy and plan design work, including flex/cafeteria designs and consumer-driven health plans
- Vendor procurements to assist employers with carrier selection
- Comparing alternative networks based on network reimbursement
- Benefit integration and harmonization due to merger and acquisition
- Group product development, pricing/rating, reserving and cash-flow analysis
- Modeling costs associated with healthcare reform
- Analyzing provider reimbursement arrangements and provider contracts
- Developing reimbursement benchmarks by area

PROFESSIONAL DESIGNATIONS

- Fellow, Society of Actuaries
- Chartered Enterprise Risk Analyst, Society of Actuaries
- Member, American Academy of Actuaries

EDUCATION

- Bachelor of Mathematics, Honors Actuarial Science–Finance Option, Computer Science Minor, University of Waterloo
