Current Responsibility

Mindy Steichen is a principal and consulting actuary with the Milwaukee office of Milliman. She joined the firm in 2001.

Professional Work Experience

Mindy's area of expertise is property and casualty insurance, particularly ratemaking, loss reserve analysis, and financial planning. She has extensive experience in commercial lines, including workers' compensation, professional liability, and other long-tail exposures. Mindy has performed actuarial analyses for a variety of clients, including large, multi-line commercial insurance companies, and self-insured organizations.

Mindy's particular area of focus has been in professional liability coverage. She provides annual reserve and prospective funding analyses for a number of self-insured healthcare organizations as well as reserve support to several professional liability insurers.
