Press Release

Milliman awards 17 Opportunity Scholarships in program's fourth year

SEATTLE – August 25, 2020 – Milliman, Inc., a premier global consulting and actuarial firm, is pleased to announce the recipients of this year's Opportunity Scholarship program.

The program was created to assist students from ethnic groups and races that are under-represented in the fields of actuarial science, data science, computer science, economics, programming, mathematics, statistics, data analytics, or finance.

This year, Opportunity Scholarship recipients include 17 students from colleges and universities across the United States, Australia, South Africa, and the United Kingdom who have demonstrated academic excellence and plan to pursue a career in actuarial science or related fields.

"We are pleased to support these outstanding students, and recognize their accomplishments to date," said Milliman Chief Executive Officer Steve White. "Our professions will benefit from their diverse backgrounds and perspectives. Our hope is that this financial support will be a small step on their path to future success and leadership."

2020 Opportunity Scholarship recipients:

Aleesha Chavez, Computer Science, Northwest Nazarene University, Nampa, Idaho
Micalyia Douglas, Actuarial Science, Central Connecticut State University, New Britain, Connecticut
Herman A. Gonzalez, Computer Science, University of Florida, Gainesville, Florida
Joelle Hardy, Finance, Emory University, Atlanta, Georgia
Michaela Henry, Mathematics, California State University, San Bernardino, CA
Jordan Howell, Actuarial Science, Kettering University, Flint, Michigan
Rachael King, Mathematics, Macquarie University, Ryde, NSW, Australia
